Thursday, 22 May 2008

{pp}Finer Details specializes its promotional and coordination expertise in Stand alone Event Management and / or Finer Décor. Finer Details has been operating as a successful proactive function design, event facilitating and Public Relations coordinating service since 1993.

All events are personally and uniquely created to suit the needs, budget and objectives on the client or company concerned. Innovative concepts in style and design for the event, from the initial concept to the final and post event requirements.

Finer Details identifies the client's purpose, mission and corporate style leading to cost effective, creative, professionally managed events and functions with all requirements under one roof. Finer Details will supply and hire all props for events and see to all hiring needs. We can handle any unique or customized event or function, big or small.

Golf days, buffet and food displays are taken care of including the stylizing and presentation. We specialize in conferences, seminars, conventions, getaways, training weekends, team building, motivational workshops, speakers and entertainers.

Finer Details will plan and coordinate private functions, weddings, Bar-Bat mitzvah and any other special occasions; including invitations and design. We will organize promotional and corporate gifts specializing in creating, providing and manufacturing novel concepts.

We can also arrange travel, transport and accommodation of any event. Affairs are made in heaven but the Finer Details have to be sorted out on earth. Just breathe and we will take care of all the Finer Details!
