Tuesday, 14 October 2008

A new South African Online Gambling portal PlayCasino.co.za has launched their innovative and informative website showcasing the most reputable South African Online Gambling destinations.

With the new law passed in which Online Gambling has now been legalized in South Africa, we should expect an influx of new gaming companies entering the South African gaming market. "Even though pending amendments to the South African Gambling Act (an Act that aims to regulate the SA online gambling industry) will open the doors to online gambling for many such service providers, we felt that it will be great if South Africans can find information on these sites before deciding to play" said the directors of PlayCasino.

"PlayCasino.co.za showcases the most reputable online gambling sites in South Africa and internationally. Our team has personally played at all these gambling sites and have listed the best of the best so you too can enjoy them."

PlayCasino.co.za is leading the way, offering an honest and trustworthy service, establishing itself in what is soon to become an enormous South African online industry. With more than 10 years experience in the online gambling industry, you can rest assured that they have what you're looking for, having tested the market place and assessed all the online casinos listed on their website, so that it can provide South African gamblers with only the best and most reputable online casinos that accept South African Rand as a currency.

Visitors to <http://www.PlayCasino.co.za> will get the benefit of exclusive "limited offers" that have been negotiated with the online casinos specifically for the South African public. The site offers the most comprehensive coverage of South African online casinos, access to SA poker, Lotto, Bingo, Rummy and Sports Betting are included. Visitors to the site can sign-up for a weekly newsletter that is packed with great gaming offers + gambling news locally and abroad. And for those who want to brush up on their skills there are "free games" which allow even the novice to practice Blackjack, Roulette, Slots, Video Poker.

So when you looking to gamble online in Rands, remember <http://www.PlayCasino.co.za> is your One-Stop South African Online Gambling Directory!
